

Delegation Program

According to a Gallup study, CEOs who excel in delegating generate 33 percent higher revenue

Excel in delegating

Our program equips you with the skills to delegate effectively, drastically improving productivity.

Why choose our Delegation Program?

Many struggle with delegation, but it is not a magical gift that some people have and others don't. It is a skill that can be learned, and depending on the effort and practice, anyone can become proficient. Our program combines comprehensive training and personalised coaching to ensure you become proficient in delegation.

Program overview

Training and Coaching Blend

Our program includes 8 hours of online training sessions for individuals or groups, coupled with one-on-one coaching sessions.

The training spans 8 weeks, with 1-hour sessions each week.

Practical, Proven Lessons

Our content is derived from years of practical experience and proven success in conflict resolution. No theoretical jargon – just actionable strategies that work.

What you will learn

Self-Discovery
